```

The diagram illustrates a relationship between three methods of the GrammarFactory class. On the left, two white rectangular boxes with black borders contain the text 'GrammarFactory::GenLL1Grammar' and 'GrammarFactory::GenSLR1Grammar'. On the right, a larger gray rectangular box with a black border contains the text 'GrammarFactory::HasUnreachable Symbols'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both GenLL1Grammar and GenSLR1Grammar methods utilize or depend on the HasUnreachable Symbols method.
