

widgets/appsettings.h

```
graph TD; A[widgets/appsettings.h] --> B[QCoreApplication]; A --> C[QSettings]; A --> D[QString];
```

A diagram illustrating dependencies. At the top is a dark gray box labeled 'widgets/appsettings.h'. Three blue arrows point downwards from this box to three light gray boxes below it. The left arrow points to 'QCoreApplication', the middle arrow points to 'QSettings', and the right arrow points to 'QString'.

QCoreApplication

QSettings

QString
